Please find attached. Executive compensation program starts on page 42.

Report is also available on their website at:
<https://www.optrust.com/FundedStatusReport/2017/index.html>

I have also attached the short spreadsheet I showed you the other day with the year/year changes in case you wanted to forward that as well.

We are currently drafting an Information Note for the Minister on the Annual Funded Status Report which was published on Monday.

Can you send me the source document that outlines the new salaries we discussed yesterday. MO has asked for it.

Thanks,

Marc
