Subject: THIS JUST IN -- FAO Cancelled News Conference

Good morning,

Kismet Baun announced just now that the FAO could not appear for the news conference. It has been cancelled.

Below is the twitter coverage sighted so far.

Attached is the CP story that's just hit news wires, and the FAO report.

IMMR will monitor NDP and PC reaction – News conference set for 10 and 10:30 – and circulate a summary and media coverage.

report and news release from the FAO.

Regards,

Ann
