Hi Helen,

Please find a draft copy of the Foreword for Public Accounts attached. It has been reviewed by OPCD and Comms would like to share this version with the MO on Tuesday morning. Gabrielle mentioned in the last PA briefing that she will be incorporating a political message into the Foreword. OPCD/Cindy will be review that version for consistency with the PA materials as well.

In this version of the Foreword the language is consistent with our budget language on spending/deficit etc. It also mentions the line-by-line representation of revenue and expense that is being introduced this year and touches on the pensions/pension panel decision. Please let me know if you have any questions or comments. Thanks!

Regards,

Dane Nelson, Senior Policy Advisor
