Helen, in case you have not heard I am leaving the IESO at the end of April. I want to thank you for all your support and hard work through the fair hydro activities. It was a pleasure to watch the positive impact you had on the process. It was also a great learning experience for me to watch you at SCOPA. Such professionalism and strong communication.

It is a small world and you never know when our paths may cross again as I move into whatever my next adventure might be. I have copied my personal email as an fyi. Thanks again.
