Please find attached the current draft NR and backgrounder. Unfortunately Tricia O'Malley is in Ottawa on Thursday and off to the UK on Friday.

For the backgrounder, there are two options in play – one that speaks to all 4 accounting changes in a neutral, factual way, and another that speaks to the basis of the qualified opinion, and the government's position on those items. TBS will likely combine both backgrounders into one so it speaks to both the changes, and the basis for qualification. This can be used to supplement the technical briefing.

I sent the tech briefing deck earlier this evening. Have a wonderful weekend.

Sent from my BlackBerry 10 smartphone on the Rogers network.
