Good Evening:

Please find enclosed the near-final-basically-done-only-waiting-for-final-legal-blessing Cabinet Submission for the Ontario Fair Hydro Plan Legislation for your rainy weekend review and perusal.

Matt has been doing yeoman's work to ensure as many TB/MBC and other Cabinet Ministers' have been pre-briefed heading into next Tuesday / Wednesday meeting. By the time we get to full CAB on Wednesday, likely half that room will have had some version of the FES presentation or a "FES-light" that we have been doing on our own (without external legal).

Please let me know if you have any edits / questions or concerns by 5pm Saturday, since we need to turn product / finalize on Sunday and CO / ECO has asked for copies by first thing Monday to organize paper distribution to Members.

Many thanks, in advance.
