Final package has just arrived. I am not going to do an exhaustive proof, but will scan. Let me know how you want to review. I think CO has probably done a pretty good job on proofing and making language consistent, so I'd like to give them the nod in an hour or so, so they can final and post the BGs to link to the speech. FYI, we will be reviewing the hyperlinked speech in the morning.

Let me know,

Thanks
Sue

Subject: NR + BGs for signoff

Hi Sue,

Please find attached the release and backgrounders for final review and signoff.

Any edits we have made to these are either from a proofing perspective or to align the language with the speech.

Included are:

- NR (removed the link to backgrounders for the paper release, but all BGs will be linked in Newsroom)
- General

- Skills
- Child Care
- Infrastructure
- Education
- Jobs
- Fiscal – noting that we have included explanatory text under the charts, which will be used to make this accessible online. We've retained it in the paper version as well, because some of the charts are hard to read
- Electricity
- Assets
- Everyday Lives
- Health care

Let us know if you have any concerns.

Many thanks,
Alexandra
