Subject: Planning Calendar - June 6, 2017

Good Afternoon,

Please find attached the planning calendar for this week's cycle.

This calendar is generated for the purposes of supporting Cabinet and committee meetings, and its contents are confidential. The calendar should not be distributed or shared except among central agency staff who need it to fulfill their role in the planning process or decision making.

This calendar shows the current tracking for key items. It shows all of the Policy and Information Items. It will soon show only high-profile LRC and TB/MBC items.

Contact ECO if you would like to flag an item for possible change, and ECO will track the request and bring it forward through the planning cycle. Requests should be provided no later than Monday morning, at the Agenda Review meeting. If approved, the change will appear in the next distribution on the following Tuesday.

Thank you
