## **Too Much, Too Soon**

- The Leader of the Opposition has made his position clear – he is against increasing the minimum wage.
- He told the media yesterday that it's "too much, too soon"
- **Is it "too much, too soon"** for the 30% of Ontario workers that make less than \$15 an hour?
- **Is it "too much, too soon"** for part-time workers to get paid the same as full-time?
- **Is it "too much, too soon"** to increase the number of personal emergency leave days each year?
- **Is it "too much, too soon"** to give employees more rights to create a fairer scheduling system?
- **Is it "too much, too soon"** for free pharmacare for our kids?
- For 100,000 new child care spaces?
- For 25% off hydro bills?

- For free tuition?
- For rent control?
- For a basic income?
- Unlike the Conservatives, we'll continue to support families and support fairer workplaces and better jobs.
