Hi Andrew,

Please find attached the updated Energy LRP news release and backgrounder for tomorrow.

Karim and Phil both provided feedback earlier today, and these products have since gone back through Energy for fact check.

My only additional comment is that the BG needs to include the OESP and DRC changes, which I've requested from CO.

Minister Thibeault is scheduled to make the announcement at 9am in the media studio tomorrow morning.

Let me know if you have any feedback or concerns.

Thanks,
Bryan
