Please find attached a more detailed, final report on the survey. The bulk of this is what you received a week ago but there's more demographic analysis. I'm reattaching the note on focus groups you've already received. If you'd like me to take colleagues through this work and discuss please let me know.

If you'd like to discuss post-Budget or Budget day research please let me and my colleagues Kyla and Melissa know so we can coordinate. I have a fair amount of travel in April so please cc them on correspondence during that month.

Thanks for attending the groups and for arranging for your colleagues to join. I thought it was excellent.

Please find attached our report on final data for our research work for the Ministry in this-pre budget cycle. I'm also attaching the invoice relating to this work, which was submitted this week too.

We'd be happy to work with you to discuss these findings.

Thank you for your assistance.
