Napanee residents asked for hydro input

The Ontario Energy Board is hosting a meeting on Monday evening in Napanee to discuss a Hydro One rate increase application.

The energy board seeks to gather input from customers and to address questions concerning the rate application by Hydro One and the process, said a news release from the board.

The meeting will take place in the Strathcona Paper Centre's Lafarge Hall, 16 McPerson Dr., from 6:30 to 8:30 p.m. Doors open at 6 p.m.

It is one of nine meetings the energy regulator is holding across the province to review a rate application from Hydro One to increase its distribution rates over five years, beginning on Jan. 1, 2018.

Representatives from Hydro One will be in attendance.

The amounts requested by Hydro One in its application to the board relate to its distribution business and do not reflect any credits or other changes resulting from the Fair Hydro Act, 2017, said the release.

Amounts approved by the board will not impact the distribution line of the bill of most Hydro One customers, after Fair Hydro Act credits and changes are applied.

In the news release, the board said consumers wishing to make a presentation are invited to email registrar@oeb.ca or call 1-877-632-2727, toll free.

The Ontario Energy Board is an independent and impartial public regulatory agency. Its mission is to promote a sustainable and efficient energy sector that provides consumers with reliable energy services at a reasonable cost. imacalpine@postmedia.com Twitter [@IanMacAlpine](#)
