

SCRIPT 1

Starting this Summer, households in Ontario will receive an average of 25 percent off their hydro. And your bill won't increase beyond the rate of inflation for at least 4 years.

We've heard you. Hydro needs to be fair for everyone across the province and we have made fundamental changes to ensure this in the long term.

SCRIPT 2

In recent years, Ontario has made important and necessary investments in cleaner and more reliable energy. However, this has led to hydro bills that, for too many, have become harder to pay.

We've heard you. That's why we're taking action with the Fair Hydro Plan.

Starting this Summer, households will receive an average of 25 percent off their bill – and your bill won't increase beyond the rate of inflation for at least 4 years.
