My apologies. Please use v6 of the BPs for this announcement. Updates are as follows:

On page 1: This paragraph has been re-worked to change from "taking a toll" to:

- The challenges people are facing are causing stress and anxiety — that's the reality

And on page 2: The third paragraph on CPP has been changed to be about "support" rather than "care" in retirement, as follows:

- Then we fought for an enhanced Canada Pension Plan so that when people retire, they can and will have the support they need

Hi All,

Please use v5 of the BPs attached which slightly changes the deficit language in the last couple of lines on the final page. Please let me know if you have any questions.

As Jen mentioned, we'll re-send the full suite of products with the BG as soon as it's ready.
