Thanks, Andrew. I've updated the NR here and highlighted the changes for ease of reference. Please let me know if this works?

Thanks. For nr sub head we need to make more of Jan 1 2018 being an important touchpoint given two of our key plan elements come into force that day.
Don't use "cap and trade" words. We have better language.
For fair hydro plan add usual template language re 4 yrs and ltep pls

Hi All,

Please find attached for your review a year-ender NR and a session-ender BG for your review and feedback. Bryan and I have already reviewed and made edits. If you can please feed in by noon tomorrow, that would be most helpful. Plan is that these will be distributed as soon as the house rises on Thursday.

Thanks,

Gen
