Thx. Looks good. Two things: I think it should be plan instead of fix in head.
And I think near top we should use the simple "too much, too fast" construct in referring to the increase to bills.

Good Morning,

Please find attached our draft op ed for Metroland for your review. It is due today at 3 p.m., so if you could please provide any feedback as soon as possible, that would be great. It has been already been reviewed by Phil as well, from a policy perspective.

Thanks!
