Hi Andrew,

There is currently no red tape reduction information contained in the backgrounder (latest version attached here).

I've double checked with Cabinet Office and they are not aware of any regulations coming into effect July 1 regarding red tape.

Let me know if there is something else here you'd like to see and I can follow up further.

Thanks,
Bryan

§ **Thanks. Can this bullet be explained further please – candidates for what?:** Creating a new streamlined nomination, registration and endorsement process for candidates

Are we saying that overall the changes give a net decrease in costs? Otherwise what does this mean in p quote: These changes will lower household costs, make life more convenient and continue to build a fairer, better Ontario."

Is the fact of our red tape reduction stuff in BG instead of NR?

Thx

Good Morning,

Attaching a final draft of the Legs and Regs NR for your review. This has been reviewed

by PO policy and fact-checked. If you could please have a look and provide any feedback, that would be great.

Bryan, I believe we'd be in a position to put this and the backgrounder out as early as this afternoon, is that correct?

Thanks,

Gen
