Subject: URGENT: Material - Cabinet - March 1, 2017

To all Ministers' Chiefs of Staff,

We were unable to provide ministers with copies of materials supporting the ENERGY item for tomorrow's Cabinet.

In an effort to provide the Ministers with the relevant information as soon as possible, electronic versions will be sent to all Chiefs of Staff in two separate follow-up emails to this one, from this ECO account.

The first email will contain attached password-protected PDFs of the material.

The second will contain the password.

This material is extremely sensitive and should be considered "For Minister's Eyes Only".

It is the responsibility of the Chiefs to get the information to their Ministers for review. Hard copies of all material will also be available at the meeting.

Thank you
