Hi Steve,

Navigant continues to refine the product. There have been a number of changes since the earlier draft as Navigant's perspective on the smoothing advanced. I'll follow up with staff on when we can expect a final draft.

Hi Steve,

Attached is a draft of the Navigant report related to the Ontario Fair Hydro Plan. We're trying to schedule a call with you on Friday so I can provide you with some of the highlights etc. At this point, I'm hoping not to share it too broadly.

Password to follow.
