Subject: Legs, regs & fees: NR and BG

Hi Lish —

As mentioned, PO has this morning signalled appetite to issue legs & regs today, vs. next Friday. The products are not yet approved — Gen has some feedback coming on the NR and the BG is under Bryan's purview so she's checking in with him. It's not fully confirmed for today, but wanted you to be aware. We'll keep you updated.

Thanks,
Kirsten
