Subject: Thank you

Carolyn I wanted to thank you and your team for the outstanding work on the Fair Hydro Act these past few months. I know this was an extremely complex file both from a policy as well as a legal perspective. I thought your calm and dedicated leadership was critical in terms of landing the initiative successfully within an extremely short time frame. I also want to recognize your skill in working with the external legal counsel who participated on the project. Overall an outstanding contribution on your part.

Congratulations and thank you!

Patrick
