Hi Alexa, attached are the slides I will use for tomorrow.

Thanks

William

Good afternoon William,
We will have a laptop set up in the room and will project on three screens. If you send me the deck before 3:30 p.m. on Thursday, October 5th, I can have our A/V people load it onto the computer so it is ready to go when you arrive.

Sincerely,
Alexa

No problem, always happy to talk about the House. I can make sure we focus on consultation and announcements and, yes, it will be PDF.

Hi William

Thank you so much for agreeing to do the condensed session for the branch. Our team does a lot of consultation documents and intent announcements, so I know they will be interested to hear the history of contempt of cabinet and learn the ins and outs of what/how/when they can communicate information and why.

And yes, we can arrange to have your presentation projected from a USB key. Is it a power point presentation?

Cheers
Lori

Lori Theoret

I forgot to check - are you able to project slides if I bring a USB key?

Works for me - I have accepted the invite.

How about half-an-hour with time after for questions, a total of 40 minutes?

Thank you. This is very exciting. I will send an invite with our address once we have settled on the length.

Sincerely,
Alexa

10:40 would be fine. Let me know how much time you would like it to be and I can shorten the presentation accordingly.

Wonderful news!

Our next meeting is scheduled for Friday, October 6th from 10:30 a.m. to 12:00 p.m.. I could schedule you in at 10:40 or any time after this. I can also start the meeting earlier if that would work better. We are scheduled to meet at the same time on November 10th.

Alexa

I would be happy to do that - do you have a sense of the time of day?

Subject: Contempt of Cabinet presentation

Good afternoon,

I am writing on behalf of Lori Theoret, A/Director of Communications at the Ministry of Municipal Affairs and the Ministry of Housing. Lori attended a Policy Innovation and Leadership session where you did a presentation on 'Contempt of Cabinet' and is wondering if you would be amenable to doing a condensed version of this presentation at one of our branch meetings? We are a staff of 35 people and are meeting next Friday, October 6th and again on Friday, November 10th.

We thank you in advance for considering this request and look forward to hearing from you at your earliest convenience.

Sincerely,
Alexa
