Here are the small business materials. We will bring hard copies of both decks.

With the rescheduling of the meeting in an effort to provide the team more time following the meeting with the Premier, our lead ADM and DM are not able to attend (out of the province and out of the office). The DM is comfortable with Charles and Jason presenting as we are well aligned but our MOs are advocating that we have myself and Derek (lead manager and A/director) in the room to hear the discussion and action out items following the meeting. They are worried about broken telephone. Please let me know what your preference is.

Hi–

PO has clarified that for the Small Business discussion on Thursday the focus should be on the MOF elements. As a result MOF and MEDG DM and chiefs (MEDG and Small Business) are invited. Please note there is only 45 mins for this discussion. We have been asked to add another item on the agenda.
Annette– I will leave it to MOF to confirm if your attendance is still required.

Thanks
Boafoa
