Hi Boafoa,
We are still working on this. The next iteration will need to be reviewed by our MO. It will likely be later this evening. Apologies for the delay.

Just checking in on material. Do you have an eta on when we would be able to send material out?

Hi William,

Our MO let us know that they received an email last night letting them know that Major Projects would be taking place at 1pm tomorrow and we would be on the agenda. But they didn't receive anything official in terms of an invite.

Is there anything more official we should be waiting for to confirm the time?

Thanks,
Hillary

Hi William,

We did hear from our MO a few days ago that we should expect to see MP scheduled for 1pm tomorrow. We can confirm with them whether it was actually scheduled.

Thanks,
Hillary
