Hi Keley

We are now tracking the energy item at 1030. If folks could come a few minutes earlier to prevent the 100 metre dash that happened last week that would be great.

Thanks

Keley/Kyle/Dave–

We are still tracking the electricity item to this week's FPC.

We're proposing the agenda be as follows:

FPC – Wednesday 10:00-11:30, in Whitney Block Room 6501

ITEM AND MINISTRY	ESTIMATED TIME
Energy/TBS–Electricity Price Mitigation Accounting Considerations	10:00–11:00
MOF–Long-term Report	11:00–11:30

If the timing changes, we will let you know.

Thanks
Boafoa

Hi

PO has asked that Energy and TBS return to FPC next week to present on the accounting associated with the price mitigation proposal specifically option 1. Fiscal Prep is currently scheduled from 10-11:30 next Wednesday. Keley—we will likely have other items, but I would ask that you hold the entire time slot now. I will confirm timing early next week.

Thanks
