Hi,

Please find attached the latest draft of the minute for the energy item on Wednesday. We think we are winnowing down the outstanding question, just a couple of places left. This is just the cabinet minute and while there are references to needing TB approval prior to announced, based on this morning's discussion, assumption is there would be some form of TB approval at Cabinet (like was done for the 8% reduction in September).

Same energy password.
Thanks,
Martha
