I've talked to Serge. He didn't know anything about the opinion and wasn't told about it until after LRC. It's not clear whether someone at ENE might have requested it, or if MAG did it on their own. In either way, it was a surprise. Here's what they've given Serge.

Deputy,

After LRC started this afternoon, we received this CLB opinion from Legal regarding our Bill Presentment package. This opinion was raised during the LRC discussion on the item and LRC decided to defer our item to Cabinet as a discussion item.
