Thanks Rhonda.

A question on the backgrounder. I think the reference in first sentence to taxes in the plural may be confusing. The only tax to be referenced is comparable value to provincial share of HST. So I'm not sure why we'd refer to taxes in the plural.

William, you may want to share these with SoC.

Thanks.

Hi Steven --

Further to your email this morning, please find attached 2 fact sheets and one backgrounder to support Tuesday's announcement. The fact sheets are for MPPS to use; the backgrounder is public and will support the news release.

We will continue to work with Martha and ENE to ensure feedback is incorporated either here or in Q/A.

Let me know if you have any questions.

Thanks  
Rhonda
