Here is the CBN, thank you Karen!

We updated our minute and feel it should be fine as the changes TBS is making need to be to theirs, with adding numbers etc. So we have removed the "hold" for their minute in our note. Meaning the cbn has the policy and Irc minute, the TB note will have the TB minute. We hope to see their updated wording tonight (I admit I might be asleep when it comes in as I am turning away from this file until tomorrow morning!).

Thanks!
Martha

Subject: Final CBN

Hi,

Attached is the revised CBN for tomorrow morning. Changes since the last version:

- revised minute #6 and added #6a
- removed draft TB/MBC minute (it will be shown in the TBS note)
- added "this note contains the final proposed minute" at the top to clarify that this minute is the latest (not the one in the deck)

It will be race to see who can print faster tomorrow morning!

Thanks,
Karen
