Martha,

Here is the note – incorporates comments from energy, tbs, ofa and your list/our DM's points from the Sunday call.

Not all changes are shown. I've left in tracked changes or comments in a few places to draw attention to them. There are also some outstanding questions for energy.

Hi,

Based on feedback received over the weekend and the meeting this morning, we have continued to refine the Cabinet minute for the energy item. The attached attempts to capture the commentary but also includes outstanding questions (mainly for energy...sorry).

Updated CBN to be shared end of day.

Thanks,
Martha
