Hi William and Boafoa,

Please see attached the latest draft Changing Workplaces communications materials for tomorrow.

In terms of the announcement itself, we expect the P to make the announcement tomorrow at 10 and take questions from the audience. The minister will then hold a separate media avail at 10:45.

Note, the “Support for Business” Backgrounder will likely be reactive only but we are still waiting for firm direction. We will send finals when we have them.
