Am unsure if we should be happy or it just extends the pain...!

Deputy,
Anyone have an opinion on inviting DAG for Rate Mitigation?
A reminder that we already have ENERGY, TBS, MOF in the room, and it was standing room only last time. If we add, we have to take away, so I will need backing on stopping a few ADMs and political staff from attending.

Hi Sam and James,

DMO is asking if MAG will be invited to Cabinet on the ENE rate mitigation issue. I understand it was floated around last week that CO might want MAG to attend to discuss

legal advice.

Thanks,
