Hi Rob,

Here is the draft sector overview e-binder for you to send to the SoC's office and central agency DMs with an accompanying draft email included below.

Note: as discussed, the e-binder does not include the MIA-CO overview; there is a note in the e-binder that it will be provided in a separate file and I have modified the draft email I sent earlier to reflect this (in yellow highlight below).

Do you want to wait until the MIA-CO overview is received before sending to all the DMs and SoC's office? Alternatively, we could ask MIA-CO to follow-up with it. Depending on what is done, the draft email below will need to be modified, etc.

Let me know.

Thanks,
Michelle
