Currently we are hosting DM retreats and/or orientations twice a year, causing new executives may not receive the additional support required to hit the ground running. To address Executive Onboarding and ways to support new and existing executives with relevant and "just-in-time" learning, we would like to reach out to all DMs that have delivered presentations during our Orientation sessions, in order to gain approval to share their presentations to support the development of all executives.

If you have any questions, please do not hesitate to contact **Ryan Pagulayan at 647.643.9289**.

Thanks and have a wonderful day!
