Hi Rob,

As discussed – here are the final MYAP priorities documents. I've included a clean and track change version.

I also wanted to inquire on the process for removing items that are no longer active (e.g. LHIN renewal, experiential learning)? Perhaps we can consider this after the Sept. 14th PD&G report is completed?

Thanks,
Lidya

Thanks – any chance you can flip what you have as draft?

Hi Rob,

I'm just waiting on some final updates that Michelle and Shamira need to review (both of whom are in POCO with you at the moment) – sorry for the delay!

Will work to get this to you asap once they return.
