Hi Rob – we are sharing feedback from Deputy Orencsak on some of the overviews (requested by the SoC) with lead writers, just fyi. We will wait to share with FIN till early April. Wanted you to have in the event DM Davidson would like to review/take a look.

#1 of two emails.

Thanks
Rhonda

Thank you! I've attached some comments on the fiscal; economic; labour relations; and education/training papers (will send under the cover of multiple emails given file size). Nothing substantive for me to add on health or Indigenous at this point, and the demographics paper looks great. Hope this helps.

Will look at the others I haven't yet read and let you know if I have any thoughts.

Really appreciate the opportunity to have a read.

Greg
