Dearest Leg Planning CO folks,

As you know Lucia is out of town, and I will be gone tomorrow as well. Anna/Rachele/Rox will be at Leg Planning.

At leg planning usually we just go through the Summary table that Lucia created (the one-pager), item-by-item, and if needed also go to the detailed document for further info.

I have added a third, single-page document that lists points of particular interest. It is ordered by the same numbering as the other docs. Please use this as a guide while going item-by-item, to help make sure we address any outstanding issues.

If I have missed any, feel free to table new concerns at the meeting, but I think the list is pretty comprehensive.

The attached documents are already in your Outlook invitation, but duplicated here.
