Subject: Draft LRC Agenda (v2) < LRC November 14, 2016

Happy (spooky) Friday,

Please find attached the second version of the draft LRC agenda for November 14, 2016. As usual, I would note that these preliminary agendas are still fluid, so please do not indicate discussion/non-discussion items to your ministries at this point. Ministries should be preparing all their materials with an anticipation of their items being discussed.

Few reminders and notes:

- **Drafts past due:** ADM drafts were due to CO on October 18th. Thank you to those who have passed them on. At the moment, I have not seen evidence of the following drafts, so I would ask advisors to confirm they have materials (or a plan to get them) early next week or ECO may start taking them out of MOSAIC:
 - o ENERGY (Tab 1) – *understand this is tied to consultations*
 - o MGCS (Tab 12)
 - o MOF (Tabs 15, 17)
- **Finals next week** : Minister signed materials are due by next **Thursday, November 3rd**. This does not mean ministries need to wait until the 3rd. ECO is very happy to receive finals any time before then.
- **Descriptions:** There are preliminary descriptions attached based on what appears in MOSAIC. If you have any insights, edits or suggestions, please let me know.

If you have any questions, please let me know. Have a great weekend full of Halloween parties!

Subject: Draft LRC Agenda (v1) < LRC November 14, 2016

Happy (end of) Friday,

Per tradition, please find attached the first draft LRC agenda for November 14, 2016. This is representative of the items we currently have in MOSAIC.

It should be noted that these preliminary agendas are still fluid, so please do not indicate discussion/non-discussion items to your ministries at this point. Ministries should be preparing all their materials with an anticipation of their items being discussed.

Few quick notes:

- **Drafts past due:** ADM drafts were due to CO on October 18th. We have received a few, so please forward them to me and Aaron if you have not already. Unless previously discussed/identified, items that do not have drafts should be removed/rescheduled in MOSAIC to support version 2 of the agenda.
- **Finals :** Minister signed materials are due by November 3rd. This does not mean ministries need to wait until the 3rd, we at ECO are very happy to receive finals any time before then – in fact, I would congratulate the HESP team as we received our first final package for this meeting from MOHLTC today!
 - o Please ensure your ministries are aware of the LRC deadlines that are on the schedule posted here: <https://intra.sse.gov.on.ca/sites/cab/apps/PIL/Pages/Legislation-and-Regulations-Committee.aspx>
- **Descriptions:** There are preliminary descriptions attached based on what appears in MOSAIC. If you have any insights, edits or suggestions, please let me know.

If you have any questions, please let me know. Have a great weekend.
