Good afternoon,

Thank you all for your support in populating the following May 9, 2017 TBMBC Policy Linkage Place mat. Attached is the final version for your reference.

Also attached is the Chair's briefing agenda which shows items currently tracking to the Board meeting next week. Please note that the MGCS: SO Modernization item has now been deferred.

From May 9 TBMBC to May 10 Cabinet, we have identified seven items requiring a fast track, they are:

1. **MTO: LRV Strategy**
2. **ENERGY: Fair Hydro Plan**
3. **MAG: Establishment of the Planning Appeals Legal Support Centre**
4. **MTO: Highway 407 East Toll Freeze**
5. **MIRR/MOI/MOHLTC: Anishnawbe Health Toronto**
6. **MIRR: Lac Des Mille Lacs First Nation Flooding Claim**
7. **MOECC: Visual Identity Exemption for GreenON**

Thank you again and always happy to discuss items further one on one,

Joe

Subject: Policy Linkage Placemat May 9, 2017 TBMBC

Good afternoon,

The next TBMBC meeting is scheduled for May 9, 2017, reporting into Cabinet May 17 (or fast tracking to Cabinet May 10).

Please find attached a pre-populated draft of the Policy Linkage Placemat to support the Deputy.

I have included items from the draft TBMBC agenda, and pre-populated information from the TBMBC agenda review, but I would look to ECs/policy advisors to provide additional key policy linkages, recent (or upcoming) policy decisions, trips to committee, fast track requests, and/or a bullet on relevant policy background/context. This information should not typically exceed 2 – 4 bullets. If additional info is required we can attach a CBN, as needed.

Could you please provide input in track changes by end of day Tuesday May 2 or earlier.

Thank you for your support and always pleased to discuss further,

Joe
