---

Hi Rob,

For reference, I am sharing with you the e-versions of the following draft sector overviews being shared with the external advisory group:

- Economy
- Fiscal Trends
- Demographic Trends and Projections
- Infrastructure

The content is the same as the versions shared on Friday in the e-binder but there have been some changes to headings, formatting, etc.

I wanted to make sure you and DM Davidson had the latest versions.

Thanks,  
Michelle

Hey Rob – it is the former. I expect that members will discuss their feedback, so pretty much a listening role for the DM. No walkthrough I confirmed.

What is the plan for the actual meeting? Is it just going to be a discussion about the papers, or will someone need to do a walkthrough?

**Subject:** Sector Overviews for the External Advisory Group

Just so you and the DM are up to speed, we are sharing the following sector overviews with the external

advisory committee today (in advance of Monday's meeting):

Economy  
Fiscal Trends  
Demographics  
Infrastructure

Thanks  
Rhonda

Thanks Rhonda.

Shane – we are in the process of finalizing some formatting edits to the sector overviews and will provide them by mid-day.

Hope that is ok.

Let us know re: any concerns.

Michelle

Hi all –

Thanks Shane. Michelle, we are good to upload the Economy, Infrastructure and Demographics overviews for dissemination.

We are holding on the Fiscal one for now, but it will also be added.

Michelle/Caitlin, would you be able to provide to Shane? I will get back as soon as I can on the fiscal one.

Thanks  
Rhonda

Good morning, Rhonda.

We are preparing to upload materials for next Monday's External Advisor Group Meeting (agenda attached) to Binder Browser.

It is our understanding that the only materials required for Monday's meeting are the Sector

Overviews.

I just wanted to check in and see if we have an ETA on when we might get the finals for upload. We want to re-send the link and instructions email to the participants either by end-of-day today or early tomorrow morning.

Happy to chat if you have any questions.

Thanks!
