Sorry – I guess they all look the same after a while.

The minute is looking better – quite a few track changes still since many ministries are still providing feedback.

Thanks – when you send, I'll let him know we have it if he wanted to take a look now or wait for comments to come in.

How does the minute look? Good shape?

Sorry – hold on that. There are changes to the minute that are not incorporated in this version. I will update shortly.

Hi Rob.

I am still working to finalize the note and minute for small business.

A draft note is with ministries for fact check (I have asked for feedback by noon).

Martha and David have reviewed this version of the note as a “work in progress”.

If you think it is appropriate to share this draft with the Deputy, I’m happy to incorporate any suggestions/changes.

I am expecting further changes, particularly from MOF, MAESD, OMAFRA and MRSB, and can follow up later this afternoon with an updated draft.
