Any chance you'll have this ready in the next 15 mins (or final deck, or final, less those 2 outstanding colours)?

Hi Rob,

I just received a few last minute changes to the transit/transportation risk piece, along with the speaking notes from each floor, which I'm incorporating at this time. I'll also make those changes in your email!

I'll send you an updated version with speaking notes shortly.

Thanks,

Lauren

Thanks again guys! Kudos from the PO

Two changes to make

- Change to: Seniors Strategy/Long-term Care
- Fair housing plan risks– remove “Potential for unintended consequences”
- ...potentially some more

Any more comments/edits to incorporate from the policy folks?

What's the ETA for his speaking notes?
