Some of the notes are already covered – it appears TBS has already addressed pensions and FHP in the accounting note they provided – but perhaps not GGRA so it may need an update, seemed to be the musing/consensus.

Only think I'm going to try to get off before I can clarify with him – on the accounting note TBS would do, was that on the accounting issues (cindy's area) or the value for money audit?

Let me know if you need anything from my end. I took notes, but I'm sure the DM will cover it all.

Hi Rob – I'm not sure if the DM had a chance to update you post this meeting on changes/additions to notes? Let me know if it's helpful to chat – new ToC for blue, some formatting and a few new requests.

Thanks,
Rhonda
