

1. Hydro and Energy

- Fire the board of Hydro One and its CEO (first act)
- Scrap the Green Energy Act
- Cut hydro rates by 12% for families, farmers, and small businesses by:
 - Returning Hydro One dividend payments to families.
 - pay for conservation programs out of general government revenue, not on hydro bills.
 - Cancel energy contracts that are in the pre-construction phase and re-negotiate other energy contracts.
 - Declare a moratorium on new energy contracts.
- Eliminate enormous salaries at Ontario Power Generation and Hydro One.
- Stabilize industrial hydro rates through a package of aggressive reforms.
