The only changes:

Page 8: wording changed to conditional – we are proposing to do rent control.

Page 12: \$85 million over 3 years for community and personal support services (not \$565 million).

Sorry, I misinterpreted what Deputy Minister was saying to me.

Page 14: Elimination of word pharamacare – so we are providing medicine, not medicine and pharmacare. Kelly and I talked about this earlier – we are 100% supportive of this change.
