Good Morning:

We are facing some mild concern that DMO's are "over inviting" staff from within our individual Ministries.

I'm not going to dare to limit PO/CO attendance @ 3pm. However, are now asking :

Can we agree to Minister + one Political Staffer for each of Matthews, Sousa, Naqvi and Sandals.

Mike / Ali : can you perhaps warn / ask your DM's to think about limiting attendance just given that we are all working so closely together / FPC etc.

Howie : don't think your DM is required, eh?

Dave : AG + DAG + you should be all that is required, right?

Sorry. Just trying to help Emily out on this.

Many thanks, in advance.

Subject: Multi-Minister Meeting | Ontario Fair Hydro Plan Implementation

Good Afternoon:

As we have been discussing in several different e-mail threads, but we now have confirmation of a "Multi Minister" meeting this week to prepare for TB/MBC and Cabinet next week regarding the Legislative construct underpinning the "Ontario Fair Hydro Plan".

With many thanks to Gillian and Emily – a calendar invite has just been dispatched for this Wednesday @ 3.15pm from Bevan's calendar.

Folks will recall that we are seeking to balance several critical pieces / risks:

- *Accounting Treatment* - crafting a structure that allows for non-consolidation of the borrowing.
- *Constitutional Law Risk* - crafting Legislation that reduces the risk of legal challenge as it pertains to the quantum of costs being smoothed / pushed into the future.
- *Financing Risk* - creating a structure that reaches for the highest possible credit worthiness (knowing that we will likely not obtain AAA), but getting as best as possible to ensure that the paper is snapped up, when OPG-Debt-Co / Trust goes to the bond market later this year.

To that end, a meeting has now been set :

3.15pm-4pm
Council Chambers (Main Legislative Building)

Minister's required :

Matthews
Sousa
Sandals
Thibeault

MOF DM / OFA / TBS DM / OPCD are aware and invited.

Many thanks, in advance.
