- ▲ = Delivery milestone

4. Investing in Education and Building a Highly Skilled Workforce

Priority: Achieving Excellence for the Whole Learner (including Measures to Improve Equity and Well-Being)

Key Activities: 8.03 | Close the Achievement Gap for Underrepresented Groups, 8.05 | Well-Being Strategy for Education (to Enhance Mental and Physical Health of Students), 8.29 | Achieving Excellence for the Whole Learner

Pillar: Highly Skilled Workforce Strategy

Achieving Excellence for the Whole Learner Announcements :

- \$49 million over three years investments in new and expanded well-being programs for students across the province.
- Multi-year and multi-prong plan to update the school curriculum and student assessment tools to unleash the full potential of every child.
- Equity Action Plan, a new three-year strategy to reduce systematic barriers and improve student achievement and well-being.

Capacity Building:

Professional learning and development begins to build educator capacity around teaching, learning and assessing Global Competencies and to enhance professional judgement by co-developing classroom assessment tools and supports with a broader, whole learner lens.

2017

2018

Consultations and EQAO review begin:

Three streams:
1) Review begins of EQAO's large-scale assessment program.
2) Consultations begin on revitalized curriculum and on the assessment framework.
3) Engagements held with parent/guardians and communities on effective communication strategies to improve engagement with schools.

Well-being Budget Initiatives:

Well-being programs totalling \$49 million over three years begin implementation

Grade 9 Redesign Pilots:

Pilots begin of new Grade 9 design and supports for grades 7 and 8

Index Established:

A new provincial index on well-being is launched

New Report Card Implemented:

Global Competencies would replace Learning Skills and Work Habits on the Provincial Report Card.

Climate Surveys:

Updated school climate surveys to include well-being and equity released

Legend

▲ = Delivery milestone

4. Investing in Education and Building a Highly Skilled Workforce

Priority: Lifelong Learning and Skills Plan

Key Activity: 8.17 | Ontario Lifelong Learning and Skills Plan

Pillar: Employment and Training System Transformation

Implementation of plan:

Following 2017 approvals and announcement of plan, ongoing implementation of elements of Ontario Lifelong Learning and Skills Plan.

Adult Education Policy Report Back:

Policy report back to Cabinet on status of implementation and further policy approvals related to elements of Ontario Lifelong Learning and Skills Plan.

Legend

▲ = Policy milestone

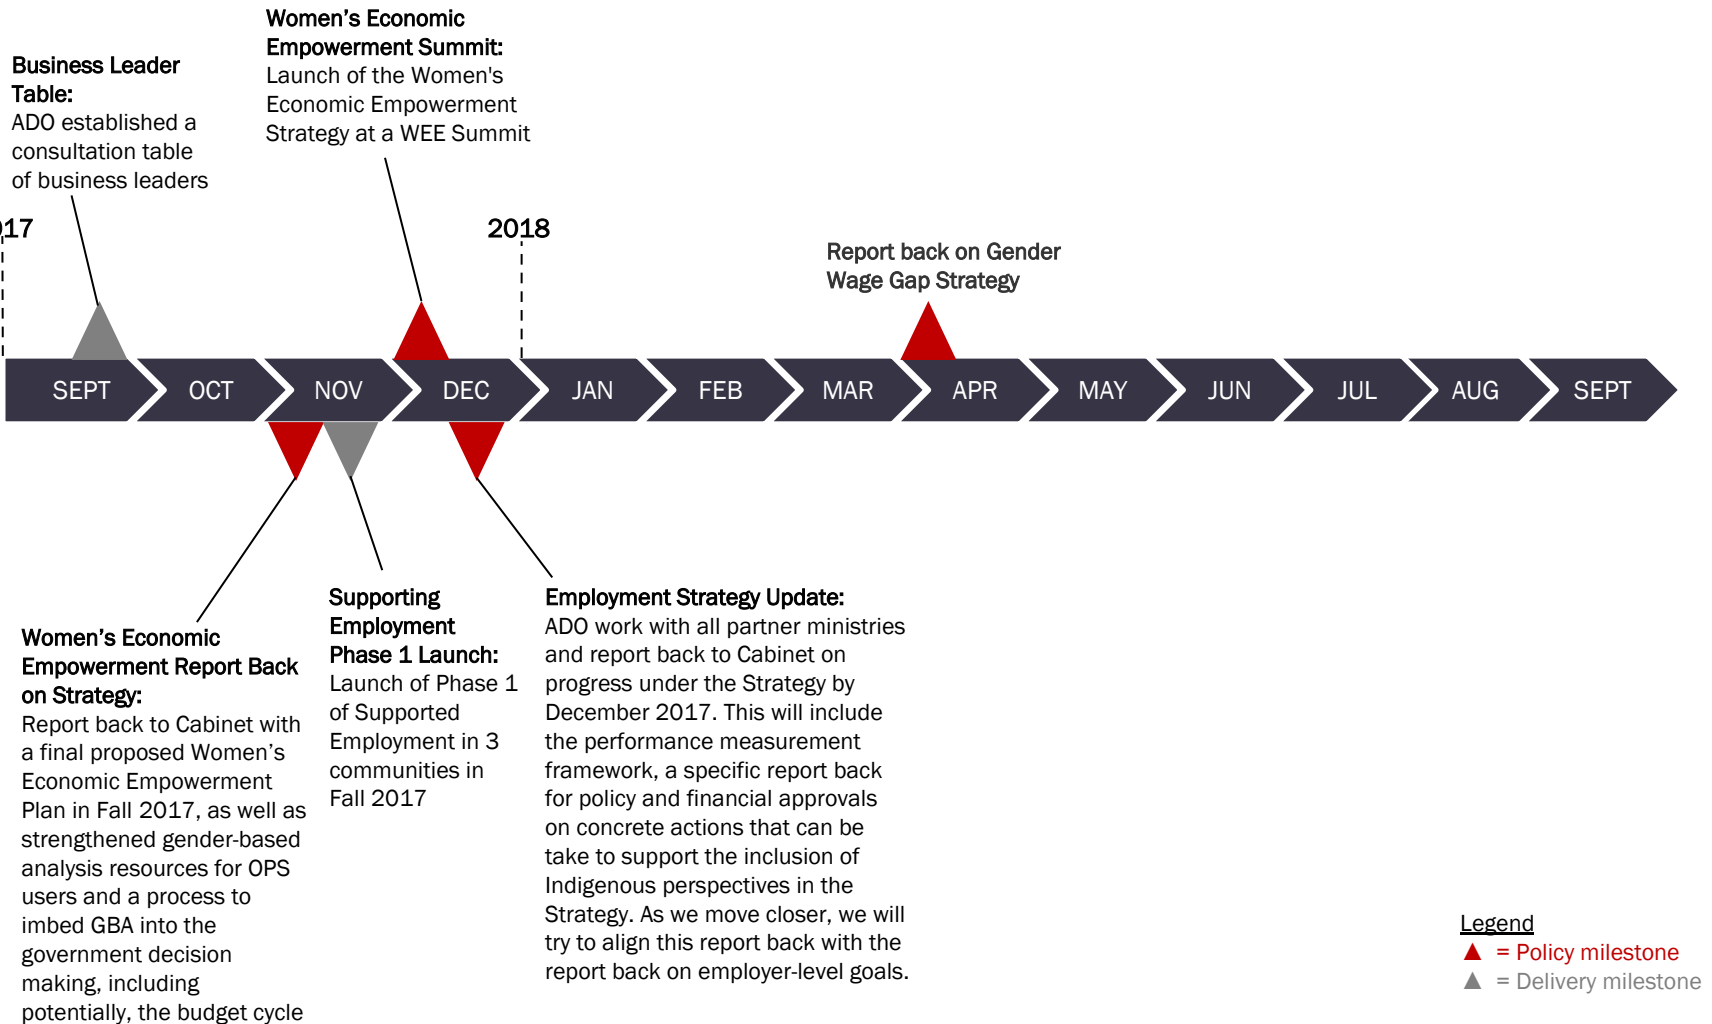

▲ = Delivery milestone

4. Investing in Education and Building a Highly Skilled Workforce

Priority: Inclusive Skills Development

Key Activities: 4.22 | Women's Economic Empowerment Strategy, 4.34 | Employment Strategy for Persons with Disabilities, 8.20 | Ontario's Immigration Strategy (including the Ontario Immigration Act (OIA) and Ontario Immigrant Nominee Program (OINP))

Pillars: Supporting Opportunities for and Protecting Women, Supporting an Inclusive Ontario, Working with the Federal Government to Maximize the Economic Benefits of Immigration

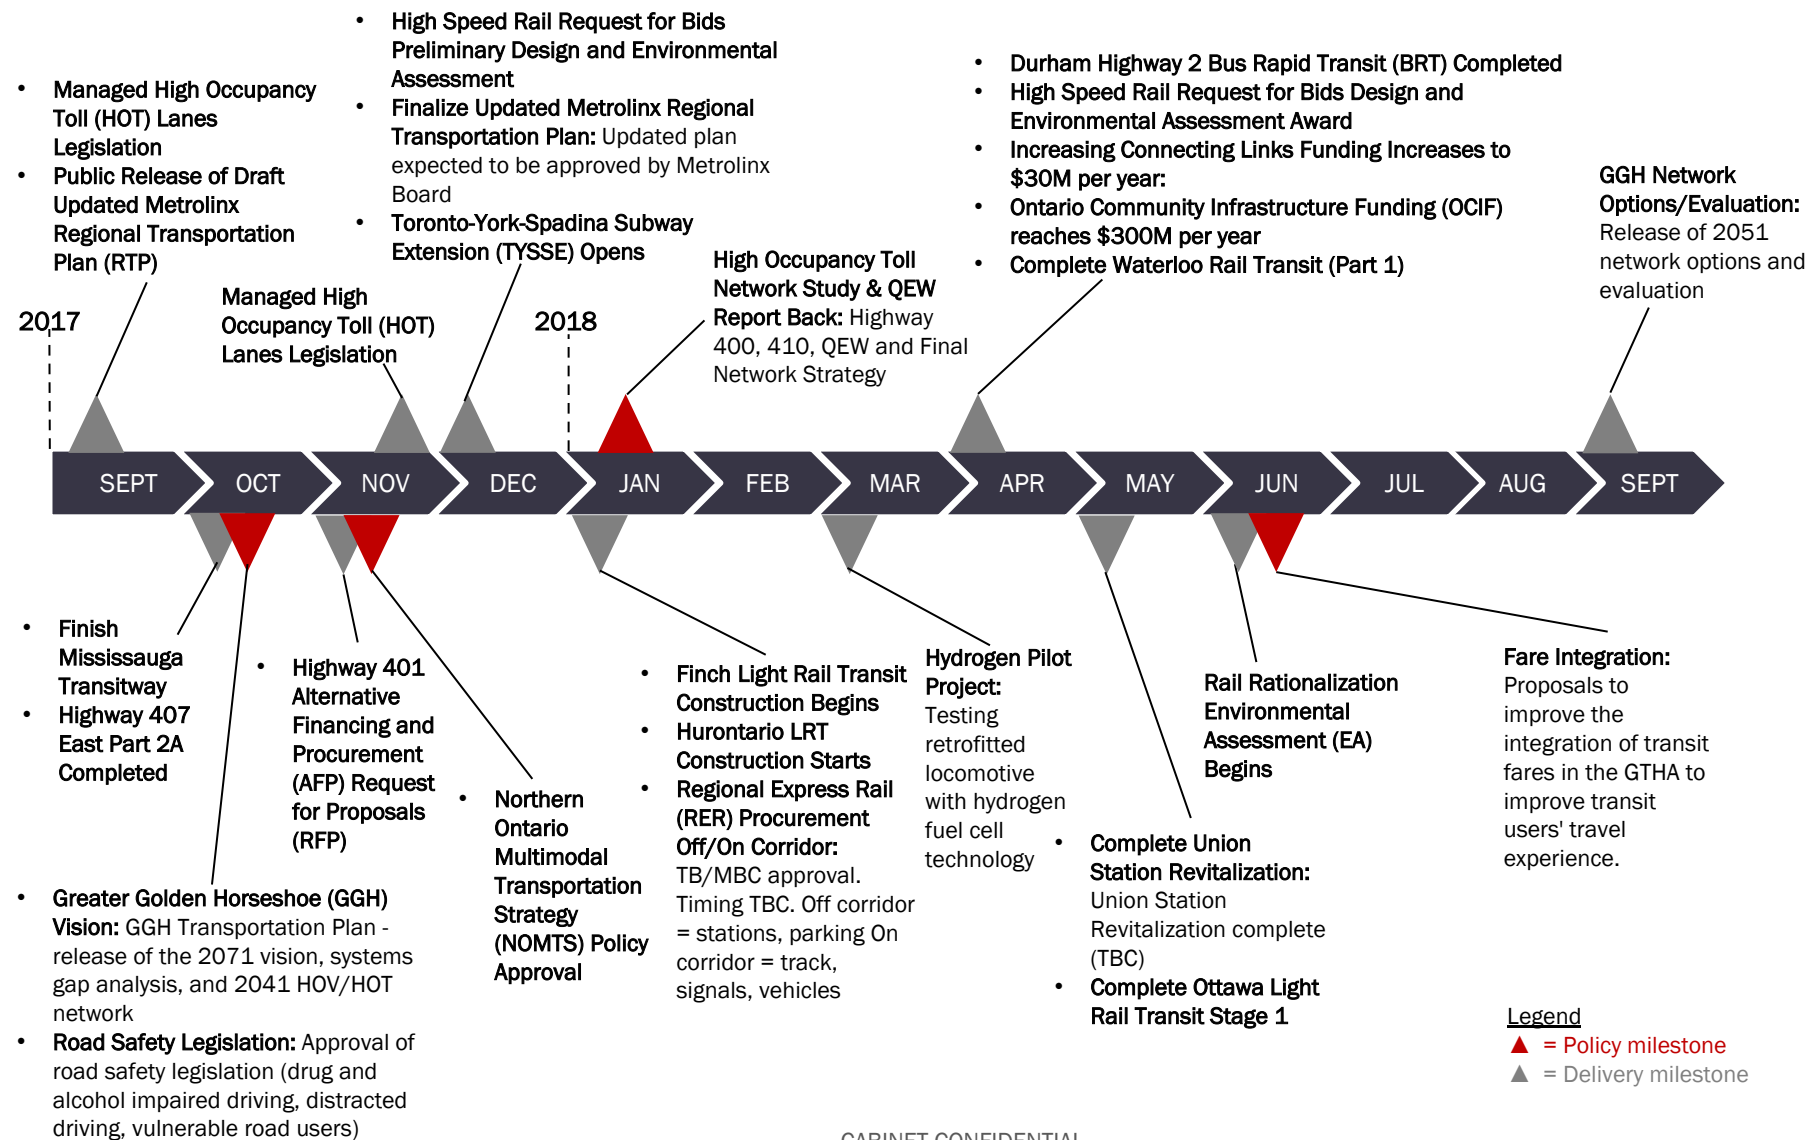

5. Building Transit and Transportation

Priorities: Transit – Inside the Greater Toronto and Hamilton Area (GTHA), Transit and Transportation – Outside the GTHA, and Other Transit and Transportation

Key Activities: 13.01 – 13.06

Pillars: Moving Ontario Forward and Other Key Transit and Transportation Initiatives

6. Building Inclusive Communities and Improving the Justice System

Priority: Justice Reforms (Corrections and Policing)

Key Activities: 4.42 | Corrections Reform, 4.43 | Strategy for a Safer Ontario and Police Oversight Review

Pillar: Safety and Access to Justice

Release Final Report:

The Independent Advisor on Corrections Reform's final report will help inform the government's approach to long-term reform in the corrections system. This work may include exploring options for enhancing programming and formalizing internal and external oversight functions.

Strategy for a Safer Ontario Legislation:

MCSCS to introduce a police omnibus bill, including legislation to repeal and replace the Police Services Act, to implement the Strategy for a Safer Ontario.

Corrections Reform – Health Transformation:

MCSS and MOHLTC to report back to Cabinet in Spring 2018 on longer-term initiatives to transform the delivery of healthcare services in the corrections sector.

Police Oversight – Ontario Special Investigations Unit :
Ontario Special Investigations Unit Act to come into effect

Corrections Legislation:

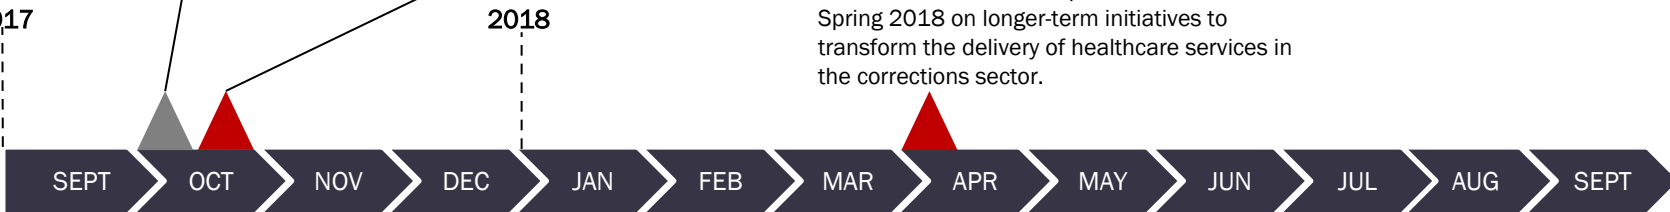

New legislation to support corrections reform. This will be the first substantive review of existing legislation since the 1990s and will include a legislative definition of segregation based on conditions of confinement and international standards - not on a physical location within an institution.

Corrections Report Back:

Report back with actions to address corrections reform, including an update of transforming the delivery of healthcare services, and informed by both reports by the Independent Advisor on Corrections Reform.

Police Oversight Legislation:

MCSCS to introduce a police omnibus bill, including legislation to enhance Ontario's civilian police oversight bodies, which was recommended by Justice Tulloch in the Independent Police Oversight Review.
