Hi,

Sorry folks, but I'll be in late on Wed am – Dentist 1 shook his head, sighed and sent me Dentist 2 tomorrow am.

Am sure you can cover DM Cab briefing.

Christine – looks like you've got the stars: BPSECA and Condo Manager regs.

Martha, MGCS came in to brief Dan on the regs and he seemed comfortable. The note is solid (condensed by over 30%) and not expected to be controversial. The one issue we need to watch is the pace and timing of implementation. MGCS is proposing to go-live in Nov 2017, bit later than originally planned. This increases the risk that if something goes awry, it may happen in the run up to June. Dan understands and agreed with the timeline.

Nancy – mind taking the cannabis ADMs call.

I hope to be back for ADM biz supports.

Thx,
- - - David
