Hi Martha - the version I just sent is the same as this one.

We're hoping for no changes, but awaiting confirmation from the DM tomorrow morning.

Hi Rob,

I apologize for sending you multiple versions now, but this copy has all of the latest updates, correct formatting (the transit slide previously was a little squished), and speaking notes included.

Sorry for the emails! Let me know if I can make any further updates following the Deputy's review, and if I can provide you with hard copies at any time.

Thanks,
