Hi,

On slide 10, the fairness and opportunity through partnership timeline slide, in 2018 it states "Bilateral investing in Canada Plan", does anyone know what that is??

Thanks!!

Hi Sam,

Find attached the updated slide deck and speaking notes for the DM's review. The MYAP slice has been updated with a consultation line, as well as two delivery milestones.

Once we have the DM's approval, we'll print 50 copies for Cabinet.

Thanks.

A consultation line and at least one gray triangle before Cabinet would be great. Thanks!

Don't have my myap in froth of me but could easily include consultation prior to first cab sub as that did occur, could also look at the 3.01 swimlane which maps out some events that led to us taking action, not sure if any of them are worth plotting but would not at all be a stretch to include a consultation line (thinking blue arrow along bottom to show consultation perhaps? Would be mostly with stakeholders).

Hi. This looks good. However, I need to point to some "policy development" work preceding the first of the Cab subs. Are there any pre Cab milestones we could highlight? Consultation? Research? Anything??? thanks.
